Junior Frontend Developer

HO CHI MINH CITY
VIET NAM

(+84) 976568907

Innovative software developer with 3 years of experience in designing and delivering high-performance web applications. Proficient in Angular, Typescripts, C#, ASP.Net Core,... Adept at working in agile environments and committed to continuous learning and technical excellence. Seeking to bring my expertise to a forward-thinking company to drive innovative projects and business success.

EXPERIENCE

Web Developer

Diriger

April 2022 - April 2024

- Developed web applications, internal libraries where users can upload files or images, which are then scanned to extract and verify information. Authorized users can subsequently resolve these invoices.
- Proficient in Angular (13+), Typescript, HTML, CSS, Bootstrap, C#, ASP.NET and PostgreSQL,... among other technologies.
- Developed responsive SPAs with Angular, emphasizing modular design and custom functionalities through reusable directives/services.
- Improved legacy codebases for scalability and reliability, adhered to coding standards, and participated in code reviews to maintain code quality.

Web Developer

OOC - Digital

June 2021 - April 2022

- Created web applications for managing employees, calculating salaries, and tracking timekeeping.
- Proficient in C#, ASP.NET Core, Entity Framework, SQL Server, Angular (7+), JavaScript, HTML, CSS, Kendo UI, and other relevant technologies.
- Developed responsive SPAs with Angular, emphasizing modular design and custom functionalities through reusable directives/services.
- Ensured high software quality through thorough testing and timely issue resolution with the QA team.

EDUCATION

Van Lang University

August 2017 - August 2021

Bachelor's Degree in **Software Engineering**

MY OWN PROJECT

Skinet - ECommerce Web Application Development

- Technologies Used: Angular 13, TypeScript, C#, and ASP .NET Core, ... and other technologies.
- Skills Utilized: Lazy loading, JWT authentication, RxJs, Swagger API documentation, Redis caching, Stripe payment integration, GenericRepository, UnitOfWork, ...
- Key Features:
 - Product listing, search, filtering, shopping cart management, and secure payment processing.
 - User authentication, registration functionalities ensuring seamless customer interactions.
- Link Repository: <https://github.com/ngvanloi/Skinet.git>

CORE SKILLS

- | | | | |
|---------------------------|---------------------------|---------------------|------------------------|
| • Angular (7+) | • C#, ASP.NET Core (3.1+) | • Agile (Scrum) | • Code Review |
| • Javascript / TypeScript | • Entity Framework | • Object-Oriented | • Strong Communication |
| • HTML / CSS / SCSS | • SQL Server (2019+) | • Programming (OOP) | • Proactive Teamwork |
| • Bootstrap | • PostgreSQL | • Git, GitHub | • Remote Work |
